

The Power in Trees Builds Community

The Benicia Tree-Keeper Program Helps Businesses Change the Landscape in Benicia

The Benicia Tree Foundation can help your business:

- Analyze and make recommendations for your tree planting project
 - Assist with sourcing high quality affordable trees
 - Involve your community-customers-employees in your tree project
- Provide positive publicity highlighting your efforts to improve the environment
 - Align with the Benicia Chamber of Commerce Green Business Practices
 - Lead implementation of your project
